FCCI Vision

Transforming our world through Christ, one company leader at a time

Mission

In pursuit of Christ's eternal objectives,
we equip and encourage Christian business leaders
to operate their businesses and conduct their personal lives
in accordance with biblical principles.

Core Values

- God is the Owner, we are stewards of His companies
- The Bible is the ultimate authority for life and business
- Prayer is the lifeblood of our relationship with the Owner
- We are CALLED to work/ministry, living a fully integrated, balanced life is a Biblical mandate
- Integrity is a non-negotiable essential
- Commitment to excellence is a hallmark of a Christian in business
- Community is a key to walking with Christ
- Being relevant to our time and culture is crucial to our impact
- Our focus on building the Kingdom of God takes priority over building any organization

Five Core Principles

1. The Priesthood of believers – all have a special calling to serve God in and through his/her business
2. There should be no Sacred/Secular split in living out the Christian faith
3. Eternal values take precedent over temporal values
4. A Christian company is not necessarily better than a non-Christian company, but it must be different
5. Christian CEO's are stewards, not owners
