

# ***FCCI* Fellowship of Companies for Christ**

## **Vision**

Transforming our world through Christ, one company leader at a time...

## **Mission**

In pursuit of Christ's eternal objectives, we equip and encourage Christian business leaders to operate their businesses and conduct their personal lives in accordance with biblical principles.

## **Core Values**

- God is the Owner, we are stewards of His companies.
- The Bible is the ultimate authority for life and business.
- Prayer is the lifeblood of our relationship with the Owner.
- We are CALLED to work/ministry. Living a fully integrated, balanced life is a biblical mandate.
- Integrity is a non-negotiable essential.
- Commitment to Excellence is a hallmark of a Christian in business.
- Community is a key to walking with Christ.
- Being relevant to our time and culture is crucial to our impact.
- Focus on building the Kingdom of God takes priority over building any organization.

## **Five Core Principles**

1. The Priesthood of believers – all have a special calling to serve God in and through his/her business, company.
2. There should be no Sacred/Secular split in living out the Christian faith.
3. Eternal values take precedent over temporal values.
4. A “Christian company” is not necessarily better than a non-Christian company, but it must be different.
5. Christian CEO's are stewards, not owners.
