Location: Ritz-Carlton, Rancho Mirage | 68900 Frank Sinatra Dr, Rancho Mirage, CA 92270

Audience: Christian CEOs, business owners and marketplace leaders

About the Conference

International Summit targets Christian CEOs, business owners and leaders in the marketplace. Five days and four nights are uniquely structured to provide maximum opportunities for networking, learning and building relationships. This is the 6th year of offering the opportunity to come alongside us to equip and encourage our Conference attendees - and in the process, raise awareness of your organization to this influential group of leaders through sponsorship opportunities at our conference.

About The Fellowship of Companies for Christ International

FCCI is a global Marketplace ministry focused on building biblical communities of Christian business leaders united by a vision that Christ can change our world through how we do business and conduct our personal lives.

FCCI began in Atlanta, GA, 43 years ago when seven business owners asked the question, "What would Christ do if he ran this business?" For 43 years, FCCI has been answering this question through prayer and a wide variety of powerful resources including business leadership groups, e-learning tools, global conferences and regional events. 2018 marks FCCI's 39th year of producing a world-class Conference.

About Convene

Convene's mission is to connect, equip and inspire Christian CEOs and business owners to grow exceptional businesses and become higher-impact leaders to honor God. Through a community of peer-to-peer advisory teams, executive coaching and world-class consulting, we work with Christian CEOs and business owners to impact the Life of a Leader, leading to an ultimate Kingdom legacy.

Founded in 1996 by Brian Thatcher and a group of five CEOs and business owners, Convene was created to meet a vital need. God gave Brian and his partners a passion for successful business leaders that were isolated and lacked the tools, support and relationships they needed to build profitable businesses. At the same time, they helped them integrate their faith with their work to make a great Kingdom impact.
